ABOUT CAFÉ ZUZU PIZZERIA

Nestled in the heart of Regent Park & inspired by our community, Café ZUZU Pizzeria merges Janet Zuccarini's passion for uniquely soulful hospitality with that of giving back & making a difference in our community.

A morning work-from-café friendly space with pastry, time-honoured beverages, a grab & go selection of sandwiches, pan pizza, assorted Italian grocery & bottle shop. Our dining room offers up 16" pies & comforting Italian nonna cooking that doesn't shy away from the sauce - paired with flowing wine, classic cocktails & a genuine warmth that only Nonna could teach .

We are a multi-faceted, neighbourhood hotspot from 8am to late where people come to escape the everyday. Prepare to be surprised.
